Why did you ask me to do this?
Because you're not eye-catching..oh sorry..I mean..
People won't expect you ta make any trouble

Should I feel happy...?
I know you don't like getting involved into strange things
But I really can't find anyone else
Never mind doing it once won't hurt
Great
If we succeed this time, we may be in the same class again
Honestly speaking I'm nervous
Come, let's shake hands Go for it!
Yeah, I'll do my best!
You can lock the door with this lock
It's not the school's lock. I replaced it without being noticed
So even if we're discovered
They won't be able to open it anytime soon

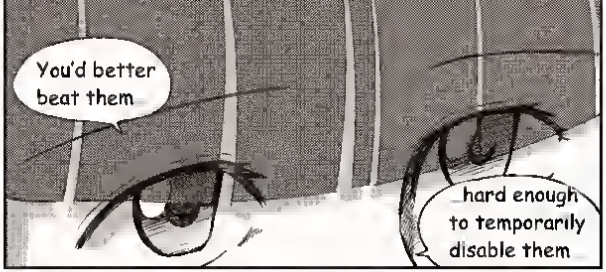
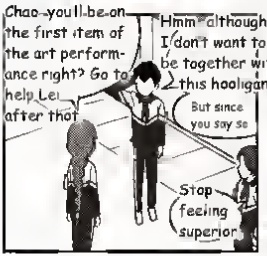
What?!
They kidnapped Ling!!
What an escart you are
I was guarding the daar of the radia station! I didn't knaw Ling was lacked away!
Domn! Presumptuous!-Those-guys-are ploying with fire! If they don't stop on the stop on the precipice, they'll be doomed to be immoloted!
You know quite same big wards
Ling, speak naw Da you still plan to reclaim them like a saint this afternaan? Or we can just tell the principal
Of caurse we can't tell the principal
but this time



You'd better beat them
hard enough to temporarily disable them

It's been two years since I saw those eyes on you last time
Did you mean

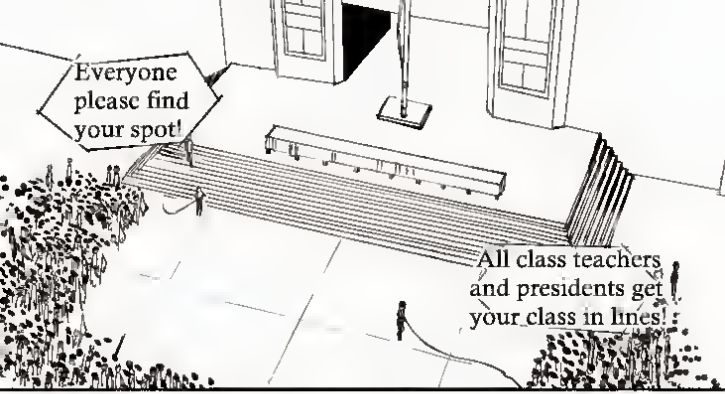
I should waste them?
Of course not, you know where to stop
Hehe!-a-direct order from the council president of beating people without wasting them .. Really a big challenge



Chao--you'll-be-on the first item of the art performance right? Go to help Lei after that
Hmm although I don't want to be together with this hooligan
But since you say so
Stop feeling superior

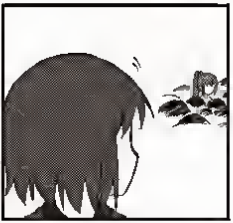
I'll be off preparing for the performance then It should be on soon
OK I'll be there soon as well

We're off patrolling then
Counting on you
Oh right Ling
Um?
If you wont to protect everything, you can protect nothing
Those who stand in the middle
Misery is their only destiny
If .. I were you ..
Hehe



Everyone please find your spot!
All class teachers and presidents get your class in lines!

Humph~I'll never look away from you!

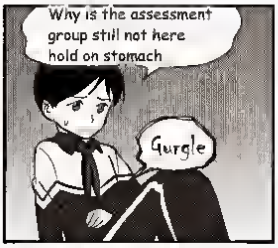


Your Majesty
I must find you and explain everything after school today!

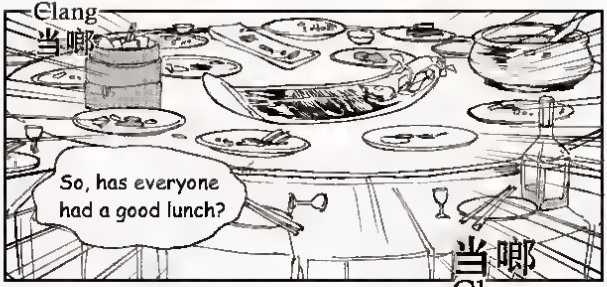
Ah... How I want to become someone like them
?

Sitting up there drinking tea, overlooking our poor performance...
...in the meantime, they can decide the fate of a group...
Ah, no, I'll be even more powerful than them
Nuts...
Who's that?
Whoosh!!
! ?
Prez? What's wrong? What did you see?
No...
Nothing...

Phew
I'd better not show my head carelessly
I'll be doomed if anybady sees me

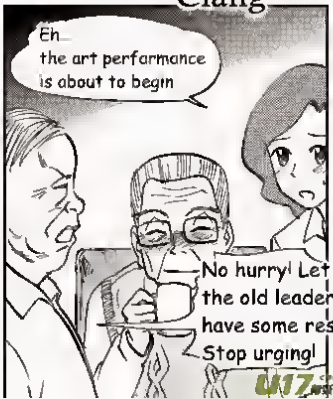


Why is the assessment group still not here
hold on stomach
Gurgle



Clang
当啷
So, has everyone had a good lunch?
当啷
Clang

Here, old leader.
Drink some tea and have a rest!
You're a good drinker old leader

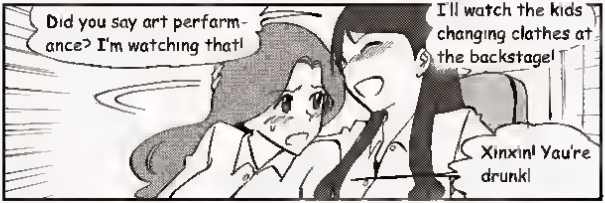


Eh...
the art performance is about to begin
No hurry! Let the old leader have some rest!
Stop urging!

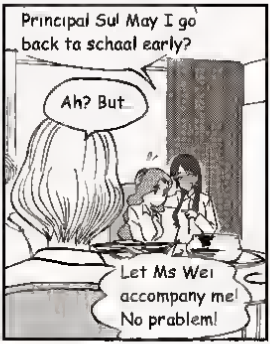
S_sorry

Xinxin how about you_

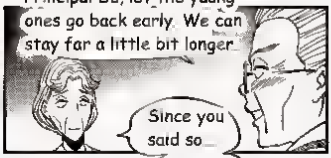
Chinese yam with alcohol!
Chu--
I can drink forever! Hahahaha!



Did you say art perfarm-ance? I'm watching that!
I'll watch the kids changing clothes at the backstage!
Xinxin! You're drunk!

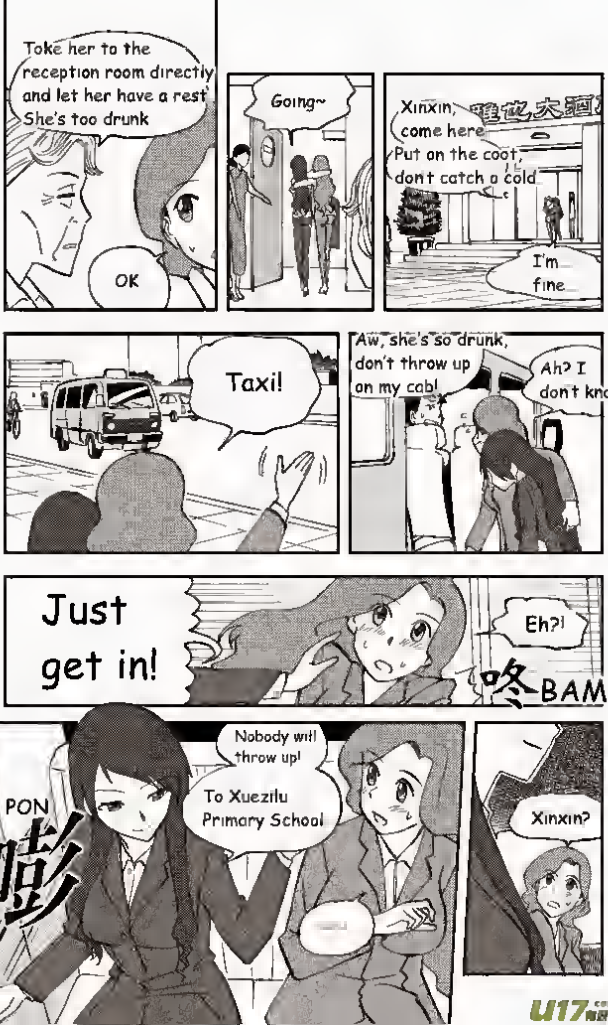


Principal Su! May I go back ta schaal early?
Ah? But_
Let Ms Wei accompany me! No problem!



Principal Su, let the yaung ones go back early. We can stay far a little bit longer_
Since you said so_

Fine then
Go go go!
Ms Wei



Take her to the reception room directly and let her have a rest. She's too drunk
OK
Going~
Xinxin, come here
Put on the coat, don't catch a cold
I'm fine
Taxi!
Aw, she's so drunk, don't throw up on my cab!
Ah? I don't know
Just get in!
Eh?!
咚BAM
PON
嘭
Nobody will throw up!
To Xuezilu Primary School
Xinxin?

Those Valiant Eight
Where have they been?
Rooftop
It's indeed a blind spot
踏
Step x2

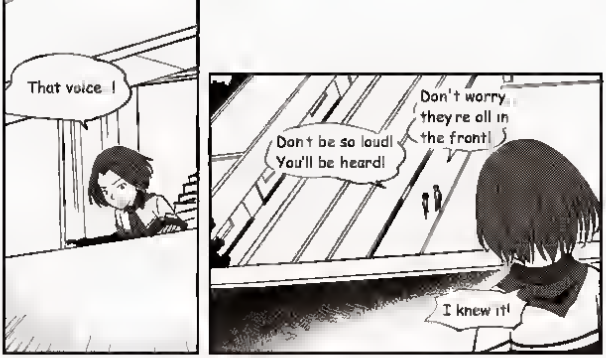
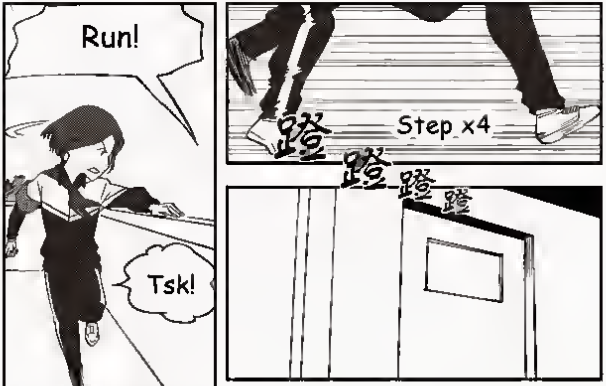
Oops!



That voice !
Don't be so loud! You'll be heard!
Don't worry, they're all in the front!
I knew it!

Hey! What are you doing!!
Ah!
Shit! Why is Lei there!
What a looming ghost!



Run!
Tsk!
Step x4

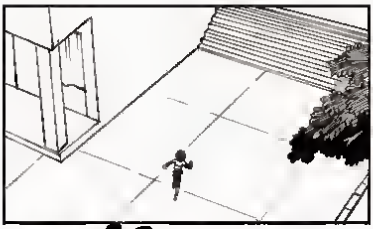
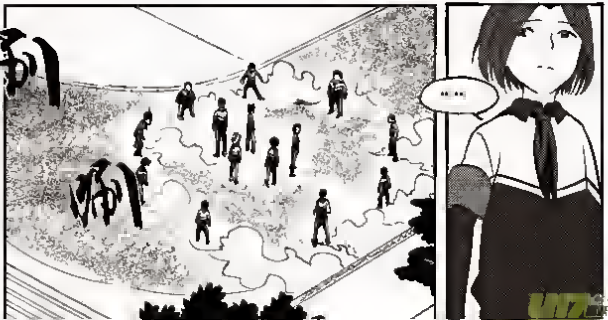
Calm down... Calm down...
Phew------
OK, I'll adjust to the best status and put on a good show!
Maybe...
Chao! You're so cool!
Let's go to the park together!
Must go to the stage
Time's running out
No way What am I thinking about? I'm a martial artist
Um?
Lei?



They went to the playground!

Ah, you're attracted here too?

They're all here!
Surround them!



咚!
咚!
……

Why hasn't it started yet...
Where have the leaders been?
Didn't they say starting right now?
I heard they're still having lunch?
沙沙

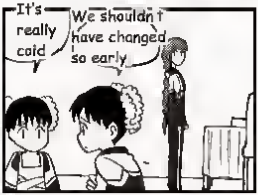
Everyone, please wait patiently and keep order!

For real, what are they doing?



It's really cold
We shouldn't have changed so early

Ling, hasn't the assessment group come back?
No, no idea how long it will take
Hold on a little bit longer, kids

By the way, I just saw Lei running towards the playground. Something must be on. Should I go there and see?
Lei?

Not now, let's see what happens here first...

You don't know how critical it was!
Lei almost reached up there
Really? Good Merit on you!
"Almost"? So there's really something on the rooftop
Umm
Humph so what you know it now?
You're not walking out of the playground anyway!
Ah shit you tricked me
Do you worth it?
I've had enough
Um?
I mean
YOU. ARE DOOMED

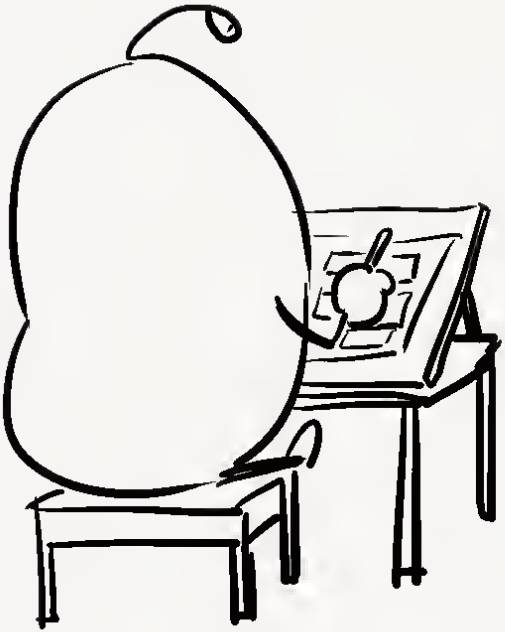
Now they should not pose any threat
Time has been wasted on those trivial things... two of you watch them here
The rest follow me to rooftop
What are you calling trivial?
Yo?
Save that really

Those are...?
!!
Don't panic they're firecrackers but...
What...
are you calling trivial?



This semester I have two serials and another new task.
I want to wear red hats with horns during work in the future...
Stop it.
